UF Health Cancer Center Oncology Grand Rounds
Presents

“Prognostic radiology: Imaging insights into tumor pathophysiology and optimizing therapy response”

Ralph Mason, PhD
Director, Pre-clinical Imaging Research
Professor, Department of Radiology
UT Southwestern Medical Center

Wednesday, September 23, 2020
12:00 – 1:00 pm
Zoom Video Conference

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

1. Define and describe imaging technologies to characterize tumor pathophysiology.
2. Appraise the role of oxygen as a theranostic.
3. Plan investigations to stratify patients for enhanced therapy response.

Speaker Disclosure:
Dr. Mason has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
