MEDICAL FINANCIAL HARDSHIP AMONG CANCER SURVIVORS IN THE UNITED STATES

Tuesday, February 4, 2020
Clinical and Translational Research Building
Room 3161, 12 - 1 PM

Robin Yabroff, PhD
Senior Scientific Director
Health Services Research
American Cancer Society

This presentation will provide an overview of research describing medical financial hardship and a framework for discussing research gaps at the patient and family, provider and care team, health care system, employer, and state and national policy levels.

Lunch will be provided
