Watermelon Popsicles with Cucumber and Lime

Yields: 10 popsicles

Nutritional Information (per serving):
Calories 24, Fat 0g, Carbohydrates 6g, Protein 0g

Ingredients
3 cups cubed watermelon
1/2 cup sliced cucumber (peeled)
Juice of 1 lime
2-3 tablespoons pure maple syrup or agave (optional)

Directions
1. Place all ingredients in a high speed blender and purée until smooth.
2. Pour carefully into popsicle molds and insert sticks.
3. Freeze for 3-4 hours or overnight.
4. To un-mold, run molds under hot water for 20-30 seconds. Pull gently on the sticks to remove the popsicles from the molds.
